INDEPENDENT UNIVERSITY, BANGLADESH

THE CURRICULUM

IUB is committed to producing graduates of international standard who will be equipped to provide new leadership to the national economy through skilled employment, entrepreneurship and/or applied research. The curriculum of IUB has been carefully designed to provide students with (1) communicative skills, (2) socio-cultural background, (3) applied skills or project based experience and (4) an area of sub-specialization. During the first year, students take courses on learning skills, national culture and electives in arts and science.

To ensure international standards in teaching and to provide wide options for students to study abroad or acquire international experience, IUB maintains peer relations with a large number of universities and institutions abroad. The programme of study and the academic regulations of this university are based on the American course structure and semester system.

Normally courses are offered in semester duration of 15 to 17 week in autumn (August to December) and spring (January to May). In addition, the University runs a summer session of 5-week duration during June and July when some of the basic and specialized courses are offered.

IUB offers a 4-year Bachelor's degree with honours in Arts (BA), Business Administration (BBA), Social Science (BSS) and Science (B.Sc) in interdisciplinary areas of (1) Business, (2) Engineering & Computer Science, (3) Environmental Science and Management, (4) Social Sciences and Arts.

The School of Business of the University offers degree of Master of Business Administration (MBA) & Executive Master of Business Administration (EMBA). The School of Engineering & Computer Science offers Master of Science (MSc.) in Computer Science, Computer Networks & Communications, Software Engineering & Telecommunication Engineering. The School of Environmental Science and Management offers Master of Science (MSc.) in Environment Management and Natural Resources and Disaster Management. Master in Public Health (MPH) is offered by School of Public Health. The University also offers graduate program of Master of Social Science (MSS) in Development Studies and Masters of Social Science in Media and Communication under the School of Liberal Arts and Social Sciences.

Types of grade	
Blank	Institutional (IUB)
E	Examination
T	Repeated (Credit not allowed)
R	Repeated (Credit allowed)

- Students currently enrolled in IUB will follow the resolutions about F grades that were written in their respective catalogue of entry. F grade in any subject will remain in the transcript but it will not hold back a student's graduation.
- Regardless of what grade a student earns in a course the students will be allowed to retake that course once only. In the event of a retake the latest grade earned by the student will be considered towards counting of the CGPA. A course must be re-taken within next two semesters of the original course registration. If a student, after re-taking a course, scores an 'F' grade, then s/he will get a second chance to re-take the course. In the event of getting an 'F' grade in two consecutive semesters, the student will end up getting an 'F' grade *or may be allowed to take another course in lieu in order to make up for the 'F'*.

- Awarding of Incomplete or '**I' grades should be strongly discouraged. 'I'** will only be allowed for students who have a valid reason (ascertained by the senior management). In situations where the student is unable to complete the course due to unanticipated illness or family emergency and has not attended at least 75% of the classes held, he / she will be asked to withdraw from that course and repeat it. In unavoidable circumstances where students have completed 75% of the classes but are unable to continue (due to illness or family emergency), instructors are requested to give the student a composite grade based on assignments/tests that have already been completed and any additional assignment/exam that the instructor feels necessary. The student should fulfill the requirement before the end of the following semester in consultation with the course-instructor, failing which the grade converts to **'F'**. The student is **not required** to register for the course in the next semester.
- A **'W'** grade means withdrawal. A student may decide to withdraw from a course by the deadline with the consent of the instructor and the Academic Advisor. Withdrawal from only one course in a semester is allowed but the students should provide valid reason along with documents while applying for the withdrawal. However, withdrawal from the whole semester may be allowed on case by case basis provided s/he had valid reasons for withdrawal from the semester along with valid documents
- A **'Y'** grade means audit. A student may decide to audit a course of his/her interest. In this case, the student pays the full tuition fee for the course, attends the classes, but is not required to sit for the exams or turn in the assignments. No credit is earned.
- An **'O'** grade is given to a student who has been administratively discontinued by the management as a punitive measure.
- A **'Z'** grade is a symbol assigned by the Registrar's Office if no grade is received within the deadline. A transcript shows the earned credit, grade status for course(s) taken at IUB and those transferred from other institutions.

A CGPA of less than 2.00 will result in the student being placed on probation and such a student must immediately consult his/her advisor and the Student Counselor. If the student is on probation for two successive semesters and CGPA is below 1.5, his/her admission to this University is cancelled. If the CGPA is 1.5 or above but still below 2.00, the student is permitted to continue for one more semester on probation. By the end of this third semester in probation, the student must increase the CGPA to 2.00 or above; otherwise his/her admission to this University will be cancelled.

Failing in the same course thrice will head to cancellation of admission.

A Cumulative Grade Point Average (CGPA) of minimum 2.00 is required for graduation. Individual Schools may require higher point average in major courses of 300 levels and above.

INFORMATION FOR THE FACULTY MEMBERS:

Registrar's Office will provide three rolls: namely **preliminary class-rolls**, **final class-rolls** and **final grade-rolls** of a semester/ session to the four Directors of Schools to circulate among all the faculty members.

The **preliminary class-rolls** will contain information on students who have processed their registration requests for a certain semester/session. The preliminary class-rolls shall be given on the first day of the commencement of classes of a semester/session. The faculty members are requested to retain the copy of the preliminary class-roll(s) with them.

The **final class-rolls** shall be given to the Directors of Schools at the end of the add/drop period. Registrar's Office shall provide two copies of final class-rolls to the Directors of Schools to be circulated among all faculty members. The faculty members are **requested to submit one copy** of the final class-roll to the respective Offices of the School and retain the other copy for their own record. The respective Offices of the Schools should send those class-rolls to the Registrar's Office.

If a student's **name is not on the roll but the student is attending classes**, please instruct the student to contact the Registrar's Office immediately and if a student's **name is on the roll but s/he is not attending classes**, please make a comment in the class-roll before submitting it to the Registrar's Office. If there is/are any correction(s), please mention it on the final class-rolls. All faculty members are requested to submit the final class-rolls to the respective Offices of the Schools within the deadline mentioned in the class-rolls. The respective Offices of the Schools should send those final class-rolls to the Registrar's Office.

Before the beginning of the final examinations, Registrar's Office will issue the **final grade-rolls** to the Directors of the four Schools. All faculty members are requested to collect the final grade-rolls from the respective Offices of the Schools and kindly adhere to the following:

> Do not add/delete the name of any student to/from the grade-rolls.
> Do not leave any row blank in the grade-roll.
> Do not submit 'Z', 'O', 'W' or 'Y' grades for any student.

After filling in the final grade-roll, please return the grade-roll(s) within the stipulated time mentioned in the grade-roll(s) with appropriate **grades, dates and signatures** to the School Offices. Registrar's Office will collect the filled-in final grade-rolls from the respective School Offices.

PLEASE NOTE: *If there is any discrepancy in the final grade-roll(s), all faculty members are requested to contact the Registrar's Office immediately for clarification.*

ADMISSION SCHOLARSHIP:

- The top three candidates securing the highest marks in gradation in the admission test will be awarded 100% tuition waiver as scholarship.
- The top ten candidates securing the highest marks in gradation in the admission test will be exempted from payment of admission fees of Tk. 15,000 (Taka Fifteen Thousand) only.

COURSE WAIVER:

1. Students with a score of A in English at 'A' level will be considered to have completed the courses ENG 101 and ENG 102 and have earned credits for those two courses. The required remaining three credits will be chosen from ENG 105 or ENG 202.
2. Students with a score of 'A' in Mathematics at A-level will be considered to have earned a total 3 credits for either MAT 101 or MAT 102 course.
3. Students having B or higher in English at their O level examination cannot take ENG 101 and ENG 102. They would however have to take ENG 105, ENG 106 and ENG 201.

4. Students having B or higher in Mathematics at their O level examination cannot take MAT 101 but must take MAT 102 in lieu.
5. Students from the National Curriculum or from the English medium with C in their O-Level scoring 35 out of 50 in the English portion of the admission test will be exempted from doing ENG 101 and ENG 102. They would however have to take ENG 105, ENG 106 and ENG 202.

MINIMUM CREDIT REQUIREMENT PER SEMESTER/SESSION:

a. The newly entering students must take a minimum of 6 credits whether it is in the summer or a regular semester. These 6 credits must come from foundation courses in a PRESCRIBED SEQUENCE which will take into account exemptions and waivers.
b. Returning students can take a minimum of 3 credits and a maximum of 6 credits in Summer. There is no restriction about needing to take foundation courses or clearing failed courses. However if a student wishes to take foundation courses she/he must take it according to the PRESCRIBED SEQUENCE.
c. Returning students can take a minimum of 6 credits and a maximum of 18 credits in regular semesters. The first rule that has to be applied is the clearing of all previously failed courses whether foundation or not.
d. Additional courses must include foundation courses in A PRESCRIBED SEQUENCE. For example if a student has failed in two non-foundation courses (totaling 6 credits) in the previous regular semester and she/he wishes to enroll for only 6 credits, they must re-take the two failed courses. If they wish to enroll for 9 credits or above, the additional courses must include a minimum of 6 credits from foundation courses in a PRESCRIBED SEQUENCE. Thus if he/she is enrolling for 9 credits, the student will take 6 credits from the failed courses (retaken) and an additional 3 credits from foundation courses in a PRESCRIBED SEQUENCE. If he/she is enrolling for 12 credits, the student will take 6 credits from the failed courses (retaken) and an additional 6 credits from foundation courses in a PRESCRIBED SEQUENCE.
e. If a returning student has no previously failed courses, he/she must take a minimum of 6 credits from foundation courses in A PRESCRIBED SEQUENCE until all 12 foundation courses have been completed.
f. Although students are allowed to take a minimum of 6 credits in a regular semester, to be eligible for financial aid from IUB they must take at least 12 credits.

INFORMATION ON REGISTRATION AND ADD/DROP:

Most of the full-time faculty members are academic advisors of students. The academic advisors are required to be present at the respective offices during the registration period. The financial guarantor/guardian of the student may come and visit the academic advisors to find out about the academic performance of their ward(s). The academic advisors and faculty members should help the financial guarantor/guardian of the student(s) concerned.

During the registration period, Academic advisors will register the students by using online registration system.

A student may add/drop courses during Add/Drop period. A student who has registered and paid his/her full tuition and fee, but after attending classes up to "add / drop" period is incapacitated due to health or unavoidable family reasons is entitled to adjust 75% of tuition fees paid if s/he registers for the following semester.

PLEASE NOTE: *registration is valid if the fee is paid on time.*

REGISTRATION OF LIVE-IN-FIELD EXPERIENCE (LFE201):

LFE201 is a mandatory course which has to be completed after six regular semesters. The students will be required to register for LFE201 when they register for regular semester. The registration for LFE201 will be on a first-come-first serve basis.

If a student becomes sick s/he may drop out from LFE; s/he will get hundred percent adjustment/ refunds of fees paid.

INFORMATION FOR THE FINANCIAL GUARANTOR/ PARENT/ GUARDIAN:

Registrar's Office shall issue the student copy of the academic transcript at the end of every semester/session. The academic transcript shall be mailed to the student's mailing address

with a general forwarding letter. The academic transcript shall contain details of the academic performance of the student for the entire period at IUB including the latest semester/session. A student may not receive the academic transcript due to the following reasons:

- fees due in the Accounts Office
- materials owing to the library
- dues at the school of the major
- dues at the Office of the DoSA
- for any other reasons as determined by the University

At the end of a semester/session, Registrar's Office shall issue a letter to the financial guarantor of the student stating the reason(s) for not issuing the academic transcript. After the above dues are cleared, Registrar's Office shall issue the copy of the academic transcript to the student/guardian by hand. If the above dues are not cleared, students may be debarred from registration or may not be eligible to receive other facilities from the university.

PLEASE NOTE: *After mailing if any student/guardian does not receive the academic transcripts, s/he may come and discuss the matter with the Registrar's Office personnel during office hours by prior appointment over telephone*

REPORTING OF GRADES FOR STUDENTS WHO ARE ON PROBATION:

Registrar's Office will issue the student copy of the academic transcripts at the end of every semester/session to the financial guarantor of the students who are on-probation. The forwarding letter shall contain a statement regarding the probation status of a student and the student should immediately contact the Academic Advisor to discuss the academic plan.

If the mailed academic transcripts are returned to the Registrar's Office for any reason, the financial guarantor shall be notified accordingly and shall be required to collect it by hand. Registrar's Office shall not issue the student copy of the academic transcripts of the students who are both on-probation and owe any fees or materials to the university at the end of a semester/session. The financial guarantors shall be notified regarding the status of the student and shall also explain why the academic transcripts were not mailed.

DUPLICATE COPY OF THE ACADEMIC TRANSCRIPT:

Student/financial guarantor may collect a student copy of the academic transcript at any time upon payment of Tk 100/- per copy from the Registrar's Office.

PROCEDURE FOR COLLECTING INFORMATION ON THE STUDENT'S ACADEMIC PERFORMANCE/PROGRESS FOR A CERTAIN SEMESTER:

All financial guarantors/parents/ guardians are welcome to collect any information on the academic performance/progress of their son(s)/daughter(s)/ward(s) from the respective faculty members by prior appointment over phone. Further information may be available from the respective academic advisors and Registrar's Office.

REQUIREMENT FOR DOUBLE MAJOR IN THE UNDERGRADUATE PROGRAMME:

- Double major in the same/different school/s may be allowed but the students have to fulfill all the criteria i.e. foundation courses, core courses, required courses from both the selected majors and a minor.
- Only the students who earned a CGPA of 3.5 and above will be allowed to do a double major.
- Minor of a major could not be converted to major i.e. for earning both the major there should be a minor.

- To obtain two majors, a student has to pursue a minimum of 18 credit hours of course work and 6 credit of senior project or internship from each major (i.e. 18 x 2 = 36 credit hours of course work, and 6 x 2 = 12 credits; i.e. one senior project and one internship will be required to do the double major. The students have the liberty to choose senior project and the internship from their majors.

CODE OF CONDUCT

Once a student makes a choice of being a student of IUB, the student becomes a part of the IUB community. This community includes the student body, faculty members, and the administration. The relationship of the student with the IUB community is based upon mutual trust, personal respect and individual integrity. They shall demonstrate respect for all members of the IUB community as individuals, avoid exploitation of fellow community members and make every effort to foster academic conduct.

Students are expected to become their best selves and to work consciously towards bringing forth the best in others. It is expected that students clearly understand that while they are in IUB they bear the name of the University. All behavior therefore must reflect this reality in the social, civic, educational, and living environments in which they find themselves. Students are expected to be involved in the educational process that extends beyond the classroom as they design, create and participate in educational opportunities with and for other members of the University and civic community. The commitment to and involvement in the educational process at the University means that all aspects of human living are to be viewed as opportunities to teach, learn and grow. In pursuance students must always abide by all rules and regulations of the University.

All students shall abide by this guideline "Code of Conduct" at all times during their association with IUB. The term 'University' shall mean any physical property owned, or rented by the University to conduct its activities. The term also describes any other property where the University would be conducting its field activities, such as picnics, field trips, Live-in field experience, etc. As all students carry the name of the University even when they are off-campus, and not engaged in any University related activity, all students are held responsible for their behavior off-campus also. Therefore, the University is free to take punitive action against any students for any act of indiscipline committed on off-campus.

Offences: Conduct of students which are subject to penalty includes, but is not limited, to committing, assisting or participating in the following offences:

1. Plagiarism. (Plagiarism is a form of academic misconduct in which an individual presents the work of another person as his or her own. An important function of a University education is to equip students to appreciate and practice scholarship. It is in this context that the work submitted by a student must be their own. However, when excerpts are used in paragraphs or essays, the author must be acknowledged through footnotes, references, bibliographies or other accepted practices.)
2. Submitting the same essay, presentation or assignment more than once whether the earlier submission was at this institution or another institution, unless prior approval has been obtained.
3. Cheating at a quiz/test/or an examination or falsifying material subject to academic evaluation. Cheating includes, *inter alia,* offering or receiving in an examination any material other than those authorized by the examiners.
4. Submitting false records or information, in writing or orally, or failing to provide relevant information when requested.
5. Impersonating a candidate at an examination or availing oneself of the results of such examination.
6. Falsifying or submitting false documents, transcripts or other academic credentials.
7. Preventing, hindering or disrupting faculty, staff, students or other employees of the University in the discharge of their duties or academic pursuits.
8. Preventing, hindering or disrupting faculty, staff, students or other employees of the University or any visiting speakers from lawfully exercising their right to express any point of view or opinion or lawfully meet or assemble.
9. Preventing, hindering or disrupting visitors to the University from carrying out their

lawful business.

10. Damaging, removing, or making unauthorized use of University property, or the personal property of faculty, staff, students or others at the University. In this context the meaning of 'property' includes information, however it be recorded or stored.
11. Engaging in verbal or physical altercation with other faculty, staff, students or other members of the University.
12. Assaulting individuals, including conduct which leads to the physical or emotional injury of faculty, staff, students or other members of the University, or which threatens the physical or emotional well-being of faculty, staff or students or other members of the University.
13. Using, possessing, distributing or selling of alcohol, drugs, or other substances of abuse, or being under the influence of such. For any reasons other than medical, in the University during or after University hours.
14. Smoking within University premises.
15. Possessing any weapon or instrument, which is capable of resulting in bodily injury to others in the University during or after University hours.
16. Speaking, addressing, behaving or treating members of the opposite gender in a manner that could be construed as gender harassment.
17. Discriminating between any members of faculty, staff, students, or other members of the University on grounds of gender, color, race or religion.
18. Dressing inappropriately, or in a manner that may be considered offensive considering the culture of the country.
19. Bringing false allegation against another member of faculty, staff, student, or others in the University.
20. Withholding information about any offence committed by another faculty, staff, students or others in the University, when asked to produce such.
21. Creating nuisance within the University. (Nuisance is considered physical or implied action which may be considered disturbing or annoying to the University community, or which hampers the normal operation of the University.)
22. Failing to comply with any penalty imposed for misconduct.

Penalties: The penalties, which may be imposed, singly or in combination, for any of the above offences may include, but are not limited to, the following:

1. A failing grade or mark of zero in the course, examination, or assignment in which the academic misconduct occurred.
2. Suspension from the University for a Specified Period of time, or indefinitely.
3. Reprimand, with letter placed in student's file.
4. Restitution, in the case of damage to, or removal or unauthorized use of property.

A notation on the student's permanent record of the penalty imposed.
